24 February 2017

To the Shareholders (and, for information only, to the holders of options and warrants to subscribe for Ordinary Shares)

Dear Shareholder

1. Introduction

Set out at the end of this document is a notice convening the General Meeting, which will be held at 10.00 a.m. on 13 March 2017 at the offices of Fladgate LLP at 16 Great Queen Street, London WC2B 5DG. The Company is convening the General Meeting to give the Directors authority to issue Ordinary Shares for cash as described further below in paragraph 5.

This letter explains the background to the Resolutions, which are being submitted for approval at the General Meeting, and why the Board considers that the Resolutions are in the best interests of Shareholders as a whole.

There is also enclosed a Form of Proxy to enable you to vote on the Resolutions should you be unable to attend the General Meeting. If you hold your shares in uncertificated form (i.e. in CREST) you may appoint a proxy by completing and transmitting a CREST Proxy Instruction in accordance with the procedures set out in the CREST Manual so that it is received by the Company's agent, Capita Asset Services, so as to arrive no later than 10.00 a.m. on 9 March 2017.

2. Background to and reasons for the General Meeting

Following the announcements by the Company of the further progress it had made on the Manica Gold Project, including reaching agreement with Auroch on amounts owing by the Company and separately the collaboration agreement with Nexus Capital Limited in the exploitation of alluvial gold deposits, the Company's broker Beaufort approached the Company with the indicative terms and amount of a proposed funding and the Board was encouraged by the potential interest shown in the Company by potential investors. The Board considered the proposed funding and concluded that, given the working capital requirements of the Group and the objective to advance the Manica Gold Project and continue to reduce accrued historic creditors, the proposed funding, while opportunistic, would substantially improve the Company's financial position and therefore the Board's confidence in progressing Manica successfully. The Board is very aware of the dilution on Shareholders of additional equity issues, but believed that the proposed placing would be in the interests of the Company and Shareholders as a whole.

Accordingly, the Board decided to proceed with Beaufort's proposal and on 16 February 2017 the Company announced that Beaufort, the Company's broker, had raised up to £1,878,933 (before expenses) following the conditional placing of 10,156,398,001 new Ordinary Shares at the Placing Price (of 0.0185p per Ordinary Share). The Company will issue the Beaufort Warrants to Beaufort as part of the fee payable to Beaufort in respect of the Placing.

Under the Placing, the Company conditionally agreed to issue a total of 3,496,940,001 new Ordinary Shares at the Placing Price to raise gross proceeds of £646,934, subject to the terms of a placing agreement with Beaufort and admission of the new Ordinary Shares to trading on AIM ("**Tranche 1 Placing Shares**"). The

admission of the Tranche 1 Placing Shares to trading on AIM is expected to take place on or around 2 March 2017. The Tranche 1 Placing Shares are being issued under the authorities to issue Ordinary Shares previously granted to the Directors.

Beaufort procured subscribers for a further 6,659,458,000 new Ordinary Shares with gross proceeds of £1,232,000 ("**Tranche 2 Placing Shares**") to be issued at the Placing Price and on the same other terms as the Tranche 1 Placing Shares, but conditional on shareholder approval of the necessary increase in authority to issue the Tranche 2 Placing Shares.

The net proceeds from the Placing will be used by the Company to fund the completion of the Definitive Feasibility Study on the Manica Gold Project (anticipated to be completed on or around 28 February 2017), extend the Environmental Impact Assessment to cover all alluvials within the Manica Gold Project, further consolidation within the area of the Manica Gold Project, and for general working capital purposes. In addition, the Company will be able to review new investment opportunities to diversify its interests and a proportion of the funding could be used for this process. In addition, the Company will redeem part of the Convertible Loan Note.

As described above, the Board is acutely aware of the impact of dilution on shareholders and will make every effort to limit future dilution and, in the event that it is practicable and cost effective to do so, give full consideration to ways in which shareholders can participate in any future fund raisings.

3. Manica Debt

As announced on 9 February 2017, the Company reached an agreement with Auroch regarding the Manica Debt (being the sum of US\$1,748,136 owed by the Company to Auroch).

US\$748,136 of the Manica Debt was settled by the issue of the Convertible Loan Note to Auroch. Auroch agreed that, other than the circumstances where there has been an event of default under the Convertible Loan Note, the Company will not be required to allot and issue any Conversion Shares to the extent that Auroch's interest in the Company would exceed 10% of the Company's issued share capital. The Convertible Loan Note converts into new fully paid Ordinary Shares at a conversion price equal to a 15% discount to the VWAP of Ordinary Shares during the 10 business days prior to the Conversion Date subject to a floor price of 0.012p per Ordinary Share.

As announced on 16 February 2017, Auroch converted US\$200,000 of the Convertible Loan Note. In addition, under the terms of the Convertible Loan Note, Auroch may require that 15% of the net proceeds of any fundraising may be applied to redeem part of the Convertible Loan Note. As announced, US\$115,000 of the Convertible Loan Notes will be redeemed on completion of the issue of the Tranche 1 Placing Shares, following which US\$433,133 will be outstanding under the Convertible Loan Note.

The balance of Manica Debt was structured as an unsecured US\$1 million loan agreement. As announced on 9 February 2017, the Company agreed that the Company will endeavour to obtain relevant shareholder authorities on or before 30 June 2017 to authorise the Company to replace the Loan Agreement with a convertible loan note on substantially the same terms as the Convertible Loan Note. In the event that the Company does not obtain the necessary approvals by 31 December 2017, an accelerated interest rate of 30% per annum will accrue going forward on any outstanding balance of the Loan Agreement.

The increased authorities being sought at the General Meeting will enable the Company therefore to meet this undertaking to Auroch and avoid the accelerated interest becoming payable on the Loan Agreement (unless otherwise repaid).

4. Share Capital

Following completion of the Tranche 2 Placing, there will be 25,043,110,119 Ordinary Shares in issue. The Directors consider that it is in the best interests of the Company's long term development as a publicly quoted company to have a more manageable number of issued ordinary shares relative to other comparable AIM-traded companies and in due course when and if practicable will consider proposals in respect of a capital reorganisation.

5. General Meeting

At a general meeting of the Company held on 30 December 2016 resolutions were passed granting the Directors authority under section 551 of the Act to issue 9,143,864,272 Ordinary Shares and to disapply the Statutory Pre-Emption Rights in respect of the same number of Ordinary Shares.

Since 30 December 2016 the Company has: issued 335,484,611 Ordinary Shares in settlement of outstanding invoices for services on 6 January 2017; issued the Convertible Loan Note and the Auroch Warrants on 9 February 2017; and will, following their admission to trading on AIM on or around 2 March 2017 have issued the Tranche 1 Placing Shares. The Company has therefore very nearly utilised the authorities to issue Ordinary Shares given to the Directors at the general meeting of the Company held on 30 December 2016. The Directors therefore are convening the General Meeting to obtain additional authority from Shareholders under section 551 of the Act to issue 16,963,064,516 Ordinary Shares and to disapply the Statutory Pre-Emption Rights in respect of 16,963,064,516 Ordinary Shares. This will enable the Company to issue the Tranche 2 Placing Shares as well as authorise the Company to replace the Loan Agreement with a convertible loan note on substantially the same terms as the Convertible Loan Notes, as described further in paragraph 3 above.

The General Meeting will be held at 10.00 a.m. on 13 March 2017 at the offices of Fladgate LLP at 16 Great Queen Street, London WC2B 5DG. The Notice is set out at the end of this document.

The Resolutions to be proposed at the General Meeting are:

- as Resolution 1, an ordinary resolution granting authority to the Directors to issue up to 16,963,064,156 Ordinary Shares (representing approximately 85% of the issued share capital of the Company as at the last practicable date prior to the date of this letter); and
- as Resolution 2, a special resolution to disapply the Statutory Pre-Emption Rights in relation to the Placing Shares which (in addition to disapplying Statutory Pre-Emption Rights for pre-emptive issues and for options), will also disapply the Statutory Pre-Emption Rights in respect of the issue of up to 16,963,064,156 Ordinary Shares for cash.

6. Recommendation

Your Board considers that the Resolutions to be proposed at the General Meeting are in the best interests of Shareholders as a whole and unanimously recommends that Shareholders vote in favour of the Resolutions, as the Directors intend to do in respect of their own beneficial shareholdings, which amount in aggregate to 491,646,291 Ordinary Shares, representing approximately 2.46 percent. of the issued share capital of the Company (as at 23 February 2017, being the last practicable business day before the date of this document).

If the Resolutions are not passed, the Board believes that this would adversely affect the Company's ability to realise the underlying value of the Manica Gold Project for the benefit of all shareholders, which is considered by the Board potentially to be a major gold asset of the Company.

7. Action to be taken

The General Meeting will be held at the offices of Fladgate LLP at 16 Great Queen Street, London WC2B 5DG. Shareholders are entitled to attend and vote at the General Meeting. A Form of Proxy for use by Shareholders is enclosed. Whether or not you intend to be present in person at the General Meeting, you are requested to complete the form in accordance with the instructions thereon and return it to the Company's registrars, Capita Asset Services at PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU as soon as possible but in any event so as to arrive no later than 10.00 a.m. on 9 March 2017.

CREST members who wish to appoint a proxy or proxies for the General Meeting through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the Company’s agent, Capita Asset Services (ID RA10), no later than 10.00 a.m. on 9 March 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the Company’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

If you complete and return the Form of Proxy you can still attend and vote at the General Meeting if you wish.

Yours faithfully

Colin Bird

Executive Chairman

 - (ii) the allotment of equity securities for cash up to an aggregate nominal value of £180,404.52 in connection with the exercise of options and warrants that have been granted by the Company to subscribe for ordinary shares in the Company; and

Notes:

Entitlement to attend and vote

1. In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001 (Uncertificated Securities Regulations), only those members entered in the register of members of the Company as at close of business on 9 March 2017, and in the case of an adjourned meeting, two days before such adjourned meeting, shall be entitled to attend, speak and vote at the General Meeting in respect of the number of shares registered in their name at that time. Changes to the register of members after the close of business on 9 March 2017, or if the General Meeting is adjourned, after close of business on the day two days before the adjourned meeting shall be disregarded in determining the rights of any person to attend, speak and vote at the General Meeting.

Appointment of proxies

2. If you are a member of the Company at the time set out in note 1 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the General Meeting and you should have received a proxy form with this notice of meeting.

You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form.

3. A proxy does not need to be a member of the Company but must attend the General Meeting to represent you. Details of how to appoint the Chairman of the General Meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form.

If you wish your proxy to speak on your behalf at the General Meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.

4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, you may photocopy this form.
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If you either select the "Discretionary" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the General Meeting.
6. Any corporation which is a member of the Company can appoint one or more corporate representative(s) who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
7. A member of the Company may not use any electronic address provided either in this notice of meeting or any related documents (including the proxy form) to communicate with the Company for any purpose other than those expressly stated.

Appointment of proxy using hard-copy proxy form

8. The notes to the proxy form explain how to direct your proxy how to vote on each resolution or withhold their vote.

To appoint a proxy using the proxy form, the form must be:

- completed and signed; and
- sent or delivered to Capita Asset Services, PXS, 34 Beckenham Road, Beckenham BR3 4TU no later than 10.00 a.m. on 9 March 2017.

In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

Appointment of proxy by joint members

9. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

10. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Capita Asset Services, PXS, 34 Beckenham Road, Beckenham BR3 4TU.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

11. In order to revoke a proxy instruction you will need to inform the Registrar by sending a signed hard-copy notice clearly stating your intention to revoke your proxy appointment as above. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

The revocation notice must be received by Capita Asset Services no later than 10.00 a.m. on 9 March 2017. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the General Meeting and voting in person. If you have appointed a proxy and attend the General Meeting in person, your proxy appointment will automatically be terminated.

Issued shares and total voting rights

12. As at close of business on 23 February 2017 (being the latest practicable date prior to the publication of this notice), the Company's issued share capital comprised 19,956,546,489 ordinary shares of 0.01 pence each ("Ordinary Shares"). Each Ordinary Share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at close of business on 23 February 2017 was 19,956,546,489.

It should be noted that on 27 February 2017 1,589,623,629 Ordinary Shares (being the Auroch Shares, as defined in the Circular) will be issued and admitted to trading on AIM, and that on or around 2 March 2017 the 3,496,940,001 Tranche 1 Placing Shares (as defined in the Circular) will be issued and admitted to trading on AIM. Accordingly, by the date of the general meeting on 13 March 2017 the total number of voting rights in the Company will (assuming that there are no further issues of Ordinary Shares) be 25,043,110,119.

CREST

13. CREST members who wish to appoint a proxy or proxies through the CREST Electronic Proxy Appointment Service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
14. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited ("**EUI**") and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID: RA10) by 10.00 a.m. on 9 March 2017 (or 48 hours preceding the date and time for any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
15. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in EUI for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
